## **Other Abilities**

- I can operate most office equipment and am an extremely fast touch typist
- I can sing and play the guitar. The majority of my performing has been in this area. Unfortunately due to surgery my ability to sing is now greatly impaired however can still play guitar and/or mime.
- I can easily learn lines and am a good public speaker. Because of the surgery mentioned previously my voice is not what it once was but I am still easily understood.
- I have a motor vehicle drivers licence
- I have my own reliable car
- I love animals and am happy to work with them. I don't handle reptiles
